

## **Notice regarding full recovery from the Great East Japan Earthquake**

Two months have passed since the March 11 Great East Japan Earthquake and the massive tsunami disaster.

The Nippon Chemi-Con Group has been exerting group-wide efforts for swift recovery to meet the expectations of people who have provided encouragements and assistance regarding the damage sustained by the Nippon Chemi-Con Group.

As a result of the ongoing efforts, we hereby announce that our production status has returned to that of pre-earthquake level at all production bases starting this week. We wish to thank you again for your support since the occurrence of the earthquake.

With your support in mind, the Nippon Chemi-Con Group will continue to assist the local communities under recovery works and the people in the disaster area, and strive to be of service to the people who provided us with support. Thank you for your understanding and cooperation.
